Retail authority no. ____ / ____

Name of holder _____

Solar bonus scheme biannual report to the regulator under the *Electricity Act 1994*

Section 55DB of the Electricity Act 1994 (the Act) requires Retail Authorities to provide Solar Bonus Scheme data to the Regulator within 28 days after 30 June and 31 December each year.

The information provided will meet the requirements under the Act and will be used in conjunction with electricity distributor reports to monitor and reconcile the number of customers receiving a Solar Bonus Scheme credit and the total amount of credit paid to Scheme customers.

Please return the completed report to:

Solar Bonus Scheme
Department of Energy and Public Works
GPO Box 2457
Brisbane QLD 4001

Or electronically via email:

Energy.EDClientMatters@epw.qld.gov.au

No later than 28 January and 28 July each year.

For enquiries contact:

Telephone: 13 43 87

Email: Energy.EDClientMatters@epw.qld.gov.au

This form is available in PDF format from the Department of Energy and Public Works website at www.epw.qld.gov.au.

Note: If there is insufficient space on the form to answer any question, please attach a statement giving full details.
